

CTG Advisor Services

Capital Trading Group, LP ("CTG") specializes in execution and account administration for today's leading Commodity Trading Advisors. CTG's operations help coordinate all aspects of a professionally managed fund or trading program.

At CTG, our personalized services include:

- ▶ Administration
 - Trade Allocations
 - Daily Account Reconciliation
 - Equity & Margin Updating
 - Real-Time Position Updating
- ▶ Brokerage
 - Electronic Trading Platforms
 - Direct Pit Execution Access
- ▶ CTA Online Portal ©
 - Track Positions
 - Track Equity Levels and Margin
 - Track Performance – Daily, MTD, YTD
- ▶ New Accounts
 - Oversee new account forms
 - Exceptional Customer Service to clients
 - Rating Site Updates

Our Customized Position Reports are configured to your CTA's preference.

The collage displays several screenshots of trading and account management software. Key elements include:

- Account Positions Table:** A table with columns for 'Accnt #', 'Start Date', and 'Start Amount'. It lists 21 accounts with their respective start dates and amounts.
- Account Performance Summary:** A table showing performance metrics for various accounts, including columns for 'Account', 'Start', 'End', 'Gain', 'Loss', and 'Pct'.
- CTA Trader LLC Summary:** A summary for Tuesday, April 1, showing 'Total Contracts' (45), 'Total AUM' (\$6,501,848), 'Initial Margin Req' (\$74,500), and '% Margin Excess' (55%).
- Open Positions:** A section listing open positions with details like 'Symbol', 'Quantity', 'Price', and 'Value'.
- Account Performance:** A detailed view of account performance with columns for 'Account', 'Start', 'End', 'Gain', 'Loss', and 'Pct'.

Our professional services are designed to make every aspect of your CTA business as efficient as possible... So you can focus on what you do best: Trade!
